Good work

Once upon a time Mrs  
Amityage was driving along the road.  
Suddenly she fell down a hole!  
"What this car need Breakspear?" said  
"Mrs Amityage" is something to fill  
up holes". Mrs Amityage went to the  
Stone Shop and brought a stone  
machine so she fixed it to her  
car. Then she set off happy.  
There there was stones blocking the  
road. "What this car need 5 Breakspear?"  
said Mrs Amityage. "5 balloons to get lifted  
over stones" said Mrs Amityage so she  
brought 5 balloons at the fair. She  
tied them on the roof they lifted  
the car over the stones and drove  
off happily. But then she went over  
some glass and the tire went BANG!

"What this car needs Breakfast" said Mrs Amitage "is a tool box" She got the tool box from Maths and science She fixed her tire and drove off happily. But then there it went dark "There is a storm coming" said Mrs Amitage So she bought 2 umbrellas and fixed them to her car she drove off happily to the Zoo. In her 9th car Mrs Amitage got eaten by a chokidayle.

What a lovely story  and you are beginning to use speech marks, but don't forget full stops and capital letters.
