

**Ones upon a time there was a fire dragon that lived in a school in Braintree in a school called the fire dragon? The fire dragon looks like a ball. With a spike line down t One day the some one came to that school and that class in 4d the dragon was hiding in the cubed the boy came in to that class room and then the dragon jumped out and grabber the boy and cook him but the dragon did not like him because he was burnt to crisp so he rill want to cook so he went out and boot a Jamie at home book and he read it but it failed so he bout a TV and put Janie home show on but it failed so he called for his granddad he was just like Jamie at home and he toot him to cook big and small girls and boys so they went out that night grabbed two small boys and cook them and the fire dragon and his granddad lived in the school and on no one ever came to that school again.**
